

# LabCampus - successful implementation of an intranet for an external tenant community

Client:  
LabCampus

Date:  
February 23, 2025

Categories:

Tags:  
#Intranet

**For the LabCampus, the conceptual approach and implementation of an intranet for the external tenant community was developed with the help of extensive onboarding training. As part of the project, we supported the client with intensive training and best practice recommendations to ensure efficient use and optimal structuring of the Hailo intranet.**
